NOTICE UNDER THE AMERICANS WITH DISABILITIES ACT

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990, Citrus County, Florida will not discriminate against qualified individuals with disabilities on the basis of disability in County services, programs or activities.

Employment: The County does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under Title I of the Americans with Disabilities Act (ADA).

Effective Communication: The County will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in the County's programs, services and activities, including qualified sign language interpreters, documents in Braille and other ways of making information and communications accessible to people who have speech, hearing or vision impairments.

Modifications to Policies and Procedures: The County will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all County programs, services and activities. For example, individuals with service animals are welcome in County offices, even where pets are generally prohibited.

Anyone who requires an auxiliary aid or service for effective communication or a modification of policies or procedures to participate in a County program, service or activity, should contact the office of Dave Weber, ADA Coordinator, 352/527-5499 as soon as possible but no later than 48 hours before the scheduled event.

The ADA does not require the County to take any action that would fundamentally alter the nature of its programs or services or impose an undue financial or administrative burden.

Complaints that a County program, service or activity is not accessible to persons with disabilities should be directed to Dave Weber, ADA Coordinator at 352/527-5499.

The County will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policy, such as retrieving items from locations that are open to the public but are not accessible to persons who use wheelchairs.
